

2nd World Construction Championship

2022

 Kazan

Annual World Construction Championship

The Championship opens up opportunities to promote your company to the construction industry of Russia and participating countries

 We aim to **scale up!**

First WCC
2021

Final

Summing up

October 5-8

2022

As a community, we put forward shared proposals for the construction industry's further development

2023

We run WCC to sum up the results of the extensive work we did in the previous year and set goals for the next year

2024

New Russian region each year

Goals

- 1 Addressing the region's practical challenges
- 2 Supporting the region's development program approved by the government
- 3 Addressing big industry challenges on the global stage

The competition helps us address the region's main challenge
practical orientation

Practical benefits for the region:

Developing the region together = strengthening our position on the world stage

The 2022 Championship
