2022 WCC Business Programme Concept

KEY BUSINESS EVENT OF THE FORUM'S FIRST DAY

SCENARIOS AND CURRENT PREDICTIONS FOR THE FUTURE

The sanctions confrontation is rapidly transforming the new reality in and around Russia, the rules of the game are changing, many of the customary traditions are not working, and familiar ties are being destroyed. However, this situation is opening up unprecedented opportunities, new applications of capital, and new areas for development.

Economists, development institutions, and businesses meet for a brainstorming session to discuss the socio-economic situation in Russia and the world, forecasts, and scenarios for the Russian economy in the wake of unprecedented sanctions against Russia

- Problems currently affecting the national economy and the construction industry
- Issues to be addressed for the industry's development
- The stakes for the year

SPEAKERS:

Alexander Lomakin, First Deputy Minister of Construction, Housing and Utilities of the Russian Federation

Gennady Sakharov, Director for Capital Investment, State Construction Supervision, and State Expertise, Rosatom

Alexander Auzan, Dean of the Economics Faculty, Lomonosov Moscow State University

Dmitry Belousov, Head of Macroeconomic Analysis and Forecasting, Macroeconomic Analysis and Short-Term Forecasting Centre

Aleksey Komissarov, CEO, Russia — Land of Opportunity, autonomous non-profit organisation

Pavel Akimov, Rector of the Moscow State University of Civil Engineering

Aleksey Pesoshin, Prime Minister of the Republic of Tatarstan
Representative of the Eurasian Economic Commission

A problem-solving event to set goals for the business programme.

2022 WCC Business Programme Concept
